

Stewards Academy Newsletter September 2018

HEADTEACHER'S LETTER

Dear Parents and Carers,

Following my letter last week, I am very pleased to now be addressing you in our first newsletter of the academic year.

Our pupils have made an excellent start to their timetabled lessons this week, with the majority of pupils demonstrating our 'Stewards Excellence', by coming to school promptly, fully equipped with exemplary uniform and a positive attitude to learning. Our new Year 7 cohort made a particularly pleasing start; they have now had a full induction to life at Stewards Academy and have settled in very well.

I was pleased to deliver an assembly to each year group to start the academic year, alongside Mr Preece (Deputy

Headteacher), where I talked about the importance of living by our motto: **'Excellence with Integrity; Success with Soul'**. The pupils were also informed about how excellence would be recognised by our **new exciting reward system**, facilitated by ClassCharts. You will be receiving information this week regarding Parental Login information, so we can work together to recognise the success of our pupils.

I would like to share the exam success of last year's Y11 pupils, demonstrating how the commitment and hard work of both the pupils and staff have yet again paid off with a very pleasing set of GCSE results. This year, the core subjects continued to go from strength to strength, with maths achieving 72% and English 73% Grades 4-9 (equivalent to A*-C). A number of subjects were delighted to achieve their best results including Spanish 92%, biology 100%, physics 100% and chemistry 96%. Our top five pupils achieved an amazing 48 top grades between them (A/A* or 7-9). Emily Oliver, one of our top performers, achieved 12 top grades. Emily said: "The new system has been a challenge, but I couldn't be happier with my results. At Sixth Form I hope to go on to study History, Psychology, Art and possibly Spanish. I feel so proud knowing that I've worked hard and achieved the grades I wanted. I can't thank the teachers enough for their support during the exams. They worked so hard for us and I will never forget my experience at Stewards."

Once again, Mrs Avis (Business Manager) and Mr Ford (Site Manager) have worked hard, together with the site staff, to **improve our facilities** over the summer break, with lots of hard work going into maintaining and updating our learning environment. Work is currently underway on refurbishing the gym to create two flexible learning spaces; we are anticipating this facility to be ready after half-term.

I am very pleased to announce that a **number of members of staff are taking on new roles this year**. I have included on page 3 and 4 the new Leadership Structure and a list of teaching staff with their responsibilities for your reference. This is an exciting time for the academy with an excellent staff committed to the continuous improvement of our exceptional school.

With regard to **standards**, I would like to remind you that the required skirt length is now '**below** the knee' and that trousers should sit on the shoe and not cling to the leg. All pupils will be reminded in assembly this week with the expectation being that any issues are addressed by next Monday.

I am looking forward to working with pupils, parents, staff, governors and the local community in the year ahead to ensure that our pupils have the rich educational experience they deserve.

Kind regards,

Helen Ginger, Headteacher

Pupil Absence and Lateness

The numbers to report pupil absence or lateness are:

01279 772511 OR 01279 421951 (Press Option 1 - Pupil Absence)

Please give your child's name, tutor group and reason for their absence / lateness. Please also follow up any absence with a note on the *first day back* explaining why your child has been absent from school.

Attendance Team

Lost Property

As winter approaches and winter coats come out, please remember to label all items that your child brings into school. If your child does mislay any property this will be held in the main office, where it can be collected by pupils at break or lunch.

Student Support Services

Welcome Year 7

This is the first of many newsletters you will be reading throughout your time here at Stewards Academy. As you will soon find out, there are many things going on around the Academy and I would like you to be involved in as many things as you can. The more activities you participate in, the more frequent your name and face will be in this newsletter! Make yourself known and make yourself proud of who you are.

I feel that ALL of Year 7 have made such a fantastic start to their schooling here at Stewards Academy. They have been enthusiastic, sensible, polite and ready to learn at all times. I couldn't have asked for more!

I wish you all the very best for your first term and your first year here at Stewards Academy. I know you will thoroughly enjoy it.

Mrs J Bartlett, Head of Year

ParentMail

Our main method of communicating with parents is ParentMail. If you are not already connected it is vitally important that you provide us with an up to date email address or mobile phone number in order for us to get you connected, so that you do not miss out on any important letters or messages.

Lunch Overdrafts

Please ensure your child comes to school with either a packed lunch or has enough money in their cashless catering account to buy lunch. Pupils who have genuinely lost or forgotten their lunch money can come to the Academy's Finance Office to ask for a £1.15 overdraft on their account. Pupils must repay the £1.15 into their account the next working day. Persistent non-payers will not be allowed further overdrafts if money is still owed. Overdrafts are for emergencies only and are not to be used as a means for your child to buy 'extras' at break or lunchtime.

ParentPay

For those parents/carers who have not yet registered to use our secure on-line payment provider ParentPay, please contact our Finance Department for more information.

This payment system enables you to securely top up your child's dinner money account and pay for school trips etc, via bank transfer so saving the time and inconvenience of having to write cheques or locate exact money. Processing payments this way also saves your child from having to spend time queuing to make payments during their break and lunchtime, when they would rather spend time with their friends.

Mrs Avis, School Business Manager

Contacting the School

Last week you should have received our new **Parental Communication Information** document. Please remember that should you wish to contact the school our preferred method is email. The document advises on the best member of staff to contact, which should ensure that you receive a reply, in most case, within 24 hours via a phone call. The document is also available on our school website.

Mr Preece, Deputy Headteacher

Jeans for Genes Day

Stewards Academy will be taking part in this year's Jeans for Genes Day on Friday 14th September 2018.

1 in 25 children has a genetic disorder that makes their life very difficult. That's like one in every class. By wearing our jeans and donating, we will change the lives of these children.

All children and staff are invited to wear their jeans on Friday 14th September . We'd like everyone to take part so please encourage your child to come into school on the day wearing their jeans and with a £1 donation.

Jeans for Genes Day have a series of powerful 5 minute films to explain how your child's donation will make a difference. Each film provides a compelling and personal insight, introducing some amazing children living with genetic disorders, sharing first-hand what life is like with their condition. Please visit jeansforgenes.org/getinspired for more information and to view these films.

If you'd like to find out more about how our support will help, please visit their website at jeansforgenes.org

Art and Photography Exhibition

Please come along on Thursday 13th September to our annual Art and Photography exhibition in Art Room 3 from 6pm till 8pm. On display will be work from last years exam candidates.
