

Year 10

Resources you should have access to: Nigeria booklet, Hazards booklet (including questions), Urban booklet and questions.

In line with your usual lessons, you should be spending 2 and a half hours working on Geography each week outside of the Easter holidays.

Work can be completed in books or on paper to stick in when you return to school.

Activity 1 (18th March to 3rd April).

Nigeria booklet – work through the activities and questions in the booklet based on our Nigeria case study.

Activity 3 (20th April – 15th May)

Urban Issues booklet – work through the tasks set out to you on the front of the booklet.

Activity 3 (18th May to 29th May)

Hazards booklet – work through the tasks set out to you on the front of the booklet.
