Modern Foreign Languages – Year 7 September 2020

Dear Parents/Carers

At Stewards Academy, we ensure that learning a second language is an integral part of a child's secondary education. Learning to communicate fluently in another language provides additional job security and advancement opportunities in uncertain economic times.

The many cognitive benefits of learning languages are undeniable. People who speak more than one language have improved memory, problem-solving and critical-thinking skills, enhanced concentration, ability to multitask, and better listening skills

At Stewards Academy, your child will be given the opportunity to study either Spanish or French in their first academic year with us. Whilst we can't promise your first choice, we do like to take your child's language preference into consideration. To help us with this process, please fill in the slip below and return to us by **Friday 26th June** at the latest. If you have any specific requests please email Miss J Sherwin at admin@stewardsacademy.org by the same date.

Kind Regards

Miss J Sherwin
KS3 Languages Coordinator
