

Y8 Unit 3

11111	D & I Assessment Ladder Y8 Unit 3	
Attainment Band :	Workshop skills, cadcam, CAD	
	Knowledge and Understanding	Skills
Yellow Plus	Produces independent projects to a high standard.	Can analyse and evaluate research
	Understands how to design in colour and to annotate designs to a high standard.  Knowledge of tools, materials, and processes is used to	Uses research to help design work. Produces 4 good quality designs, annotated and can develop designs and produce a final design.
	predict the time needed to complete the project.	Able to create a making plan
	Evaluation shows ability for self criticism	Selects and uses a range of tools and equipment with accuracy to produce high quality products.
		Can evaluate research, designs and making.
Yellow	Good knowledge of how to research to find quality images.	finds a variety of unusual research images, analyses them and evaluates research.
	Annotation shows understanding of how products are made	Produce 4 good designs from the research and 1 final design in colour and annotated.
	Knowledge of tools, materials and processes help to make good quality products.	Able to work out the sequence of a making plan
	Evaluation shows understanding of how to improve	Chooses the correct tools, uses them accurately and creates quality products
	work.	Can evaluate work
		Understands and can set up cadcam in 2design
Blue	Has sound knowledge of tools and workshop safety	Can find useful research images and evaluate research
	Understands how designs come from research and imagination.	Can make 3 design ideas, annotated and in colour, 1 final design
	Understands how to do a simple evaluation.	Can follow a simple plan
		Selects and uses a range of tools and equipment safely,
		3 www and 3 EBI's.
		Can create sophisticated designs using 2ddesign
Green	Understands the information and explains ideas and concepts with limited support.	Can research independently and print out images to help designs
	Explains ideas and suggest ways to make them better.	Can create 2 design ideas and improve one final design
	Explains lacus and suggest ways to make them better.	Selects and uses tools, machines and processes safely, taking into consideration the health and safety aspects with little supervision.
		Can use a variety of tools in 2ddesign well
White	Remembers information with help.	Research information with help.
	Identifies likes and dislikes of products.	Draws or demonstrates a simple idea with help.
		Can be helped to use simple tools and equipment safely.
		Can use basic tools and colour in 2d design with help

## **Pupil Response:**

Stewards Academy September 2020
