September 2020

### Re: Open Day/ Open Evening 2020

Dear Prospective Parents and Carers,

Thank you for your interest in our academy.

Unfortunately, in the current climate we are unable to open our doors to visitors for Open Day and Open Evening, which is such a shame as this is for us one of the highlights of our school year!

We are able to provide, however, our comprehensive prospectus which for this year includes additional information to allow you to make an informed choice when deciding on a school for your child.

We are also in the process of developing some videos that will be uploaded to our YouTube channel. Hopefully, these will give you further insight into life at Stewards. These will include:

- Headteacher's speech
- A whistle-stop tour of the school
- A range of videos created by departments for you to have a more in depth look at subjects of interest.
- Meet the Pupils, including Year 7

**Please look out for these here:** [https://www.youtube.com/channel/UCzR-UAMNdk0vH21zGEB\\_ew](https://www.youtube.com/channel/UCzR-UAMNdk0vH21zGEB_ew)

You may also wish to consult our academy website which includes a whole host of information for parents: [www.stewardsacademy.org](http://www.stewardsacademy.org). Look out particularly for the Joining Us section that can be found in the About Stewards tab and our newsletters that can be found in the News section.

We regularly have updates on Twitter and will tweet as we add more videos. Please follow us @StewardsAcademy and @Stewards\_Head. A final source of information is our channel on YourHarlow where you can see lots of things we have been up to previously: <http://www.yourharlow.com/category/education/stewards-academy>.

Finally, we are considering holding some short site tours in October outside of normal hours for prospective parents that have not visited Stewards. If you would be interested in visiting, please express your interest by emailing the address below and we will be in touch.

Thank you once again for your interest in our academy of which we are very proud. We hope you find the various sources of information useful and if you have any questions please do not hesitate to get in contact via email: [openday2020@stewardsacademy.org](mailto:openday2020@stewardsacademy.org)

Best wishes,

Mrs da Vighi  
Assistant Headteacher: School Organisation and Enrichment
