

05 Nov 2020

Dear Parents / Carers

As you will be aware following the recent government announcement, it is now a requirement for pupils and staff to wear a face covering in communal areas within the school. Obviously, certain pupils and staff will be exempt.

Please advise the school of any medical condition that would prevent your child from wearing a mask, by e-mailing Mrs Sams on lsams@stewardsacademy.org with your child's name, tutor group by Monday 9th November 3pm. This information will then be collated to support the implementation of this new directive.

Thanks as always for your continued support.

Kind regards

Mr Scholtes
