Headteacher: Mrs H. Ginger BSc Mathematical Sciences

5th January 2021

Year 11 Summer Exams 2021

Dear Parents/Carers

As most of you will know by now, the government has announced that GCSE exams will not take place “as normal” in 2021 due to the Covid crisis. Prime Minister Boris Johnson stated that as a result of schools closing:

“We recognise that this means it’s not possible or fair for all exams to go ahead this summer as normal. The education secretary will work with Ofqual to put in place alternative arrangements.”

It is important to understand that GCSE exams have been cancelled but an announcement due on Wednesday 6th January will give more information on alternative assessments.

With this in mind, it is important that year 11 pupils continue with the same maturity and effort towards their schoolwork as they have shown so far, this academic year.

As a school we feel the same disappointment that many pupils will be feeling right now. It is a very challenging and uncertain time for year 11 pupils. I encourage them to speak to their parents/carers and friends and offer support to each other to maintain positive emotional and mental wellbeing.

I wish you all well for the coming months. I will do my best to keep you updated as and when new information is passed to me.

Kind regards,

Mr. Harman
Assistant Headteacher.
